

VANCE OF EL PASO IS GOLF CHAMPION IN SOUTHWEST FIELD

Warren District Players who Participated in Tournament Bring News that Next Meeting will be Held in Bisbee.

Representatives of the Warren District Country Club who returned yesterday from Tucson, where was held the annual tournament of the Southwestern Golf Association brought the news that next year's meeting will be held on the Warren links. The support of Delegates Neff of El Paso and Velle of Phoenix turned the tide in favor of Warren and the selection was then made unanimous.

Dr. Vance of El Paso won the title of golf champion of the Southwest after an exciting contest with Corbett, of Tucson. Bisbee's chances of having a representative in the championship finals went glimmering when Sherman was defeated in the semi-finals by Corbett. The Corbett-Sherman match was one of the closest of the entire tournament, being undecided until the last hole was played.

In the finals the steady playing of Vance turned the tide, the El Paso men taking the championship from Corbett of Tucson by a score of 3 up and 1 to play. In the second flight, French of Douglas won from Steinfield of Tucson by 5 up and 2 to play.

Leavell of El Paso won the prize of a dozen golf balls for the lowest score when he covered the eighteen holes in '36. Kendall of Tucson, took the cup for the best medal score on 36 holes with a total of 186.

Following the qualifying round Saturday, the Old Pueblo's prospects looked bright when Corbett of Tucson won over Sherman of Warren 2 up in the semi-finals. Vance and Leavell, both of El Paso, were matched against each other, and Leavell was eliminated 4 up.

Corbett had been playing a stellar game up to this point, and went into the finals with an excellent chance to win. He started badly but rallied as the match was progressing and began to pick up ground. Vance steadied down, however, and taking advantage of another break in the play of his opponent, sewed up the match and the championship.

The five-man team match was won by Tucson, the clubs finishing in the following order: Tucson, El Paso, Douglas, Warren and Phoenix. The detailed score of the teams was:

Dr. Charles W. Elliott, in a letter to the New York Times, proposes that the United States make a naval alliance with all the entente powers for world peace and a defensive alliance with Great Britain and France. He holds that this country is not ready for radical military changes, and that the Swiss system would be best for it.

FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Home—128 Teaspoonful for 50c.

If everything was sold in as liberal and fair a manner as Bisbee Drug Co. are selling Schiffmann's New Expectant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say—"Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints."

Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

SOLDIER ELEVEN IS MISSING AND FANS ARE DISAPPOINTED

No Contest Sunday; Manager Gallagher and C & A Boys Want to Meet Eleventh Infantry for Championship.

The C. & A. football players had their pictures taken, anyway, this notwithstanding the fact that there was not any game and a small assemblage of the faithful was considerably disappointed. In justice to Manager Gallagher be it said that he had made every arrangement for a contest Sunday afternoon, and he was the most disappointed of all. It seems that the Eleventh Infantry had seen fit to cancel the game and had so notified Manager Gallagher. However, Gallagher was prompt in arranging a contest with the Sixth Infantry but said team failed to put in an appearance or to notify the C. & A. management of any change in plans. However, the fact that the boys sat for their photos was some consolation and the trip to Warren field was not altogether in vain.

The C. & A. eleven wants to meet the Eleventh Infantry for the championship of the Southwest and Manager Gallagher and all his boys are confident that they can administer a severe trouncing to the army champions. Hence, Manager Gallagher is out with a challenge and is willing to arrange the game to suit the soldiers in every particular. In fact, Gallagher says:

"We will play the Eleventh one or the best two out of three games, granting them every advantage in choice of place, at Warren, Douglas or on neutral grounds."

"I wish we could have had those Eleventh players here today, for we surely would have slipped over the win and had the satisfaction of punting them in return for the defeat they handed our crippled eleven at Douglas. With the team we had out today, we could have won," said Captain Galt Sunday afternoon.

C. & A. football supporters believe that, with full playing strength, the white lads can trim the Eleventh and they are pulling for another game with the soldier champions.

'THE MAJESTY OF THE LAW' AT THE ROYAL

The "Majesty of the Law" a Paramount release is on the boards at the Royal this afternoon and evening. Like all features of this organization it is worth while. The theme is admirable and the cast of producing actors is up to the standard of the Paramount people. The story of the photoplay is as follows:

Young Jackson Kent, son of Judge Kent of the Circuit Court of the Old Dominion, and betrothed to the beautiful Virginia Calhoun, had a brilliant future in store. But when the jewels stolen at the brilliant Monroe ball were found in his overcoat pocket, and he refused to make an explanation, his future was blasted. Jackson disappeared, and the next thing heard of him was his being under indictment for the embezzlement of \$5,000 from a bank in Evansville in another part of the state. It did not help when Jackson Kent, the soul of honor and justice, gave his son ten years in states prison. But it was afterward said there had never been a sadder sight in the history of the Evans County Bar than the broken-hearted old father trying not to show his agony as the sheriffs took his son by the arm. In the nick of time, however, it was discovered that Jackson Kent, innocent himself, had been sacrificing himself to shield others. He had assumed the burden of the Monroe jewel scandal because the real thief had been Virginia Calhoun's favorite brother, and had taken the blame for the embezzlement because the real embezzler had befriended him and got him his position at the bank when things were the darkest and the Monroe scandal had made him an out-

Villa was at El Carmen near Matamoros a week ago, according to Mexican employees of the Pearson Ranch who arrived here.

They declare Villa issued orders to his men at Rubio a few days ago to kill Americans and in order not to miss any, to kill all foreigners. Villa had sixty men. Other small bands are said to be at Bachajilla and Nampulquipa. Gutierrez is also supposed to have robbed E. P. Fuller, a ranchman, near Villa Ahumada recently.
